

Fill the Baskets Campaign

December 1st

December 24th

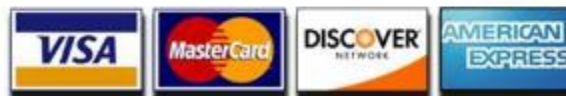

The **critical mission** of Gifts of Hope Unlimited (GOHU) has never been more important and necessary: to provide assistance, resources, and support to those victimized by abuse from relationship violence.

In 2020, we launched our first ever *Fill the Baskets Campaign*. With your help, we have been able to meet our minimum goals each year of providing monthly supplies of critical personal and household items to victims and their families.

This year we are running this campaign again from December 1-24, 2022, asking for your generous monetary donation to cover the most basic of needs.

Our *Basket Donation Brochure* will assist you in choosing a financial contribution level that will ensure that requested household and personal items are purchased and delivered by GOHU throughout the 2023 year.

Your gift is truly a “gift of hope.”

Thank you.
